The Government of Telangana has reopened the Educational Institutions from  
1<sup>st</sup> February,2021 onwards.

Tribal Welfare Department has converted some of the Hostels into Ashram  
Schools and in these Institutions, there are no regular Teachers. Only Hostel Welfare  
Officer is posted/working in these hostels converted to Ashram Schools. Without a  
single regular teacher, the academic activities are getting effected in these hostels  
converted to Ashram Schools even though adequate number of VVs are positioned in  
these institutions.

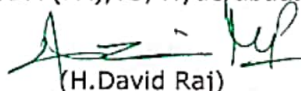

There would be a great change in these hostels converted to Ashram Schools  
if any surplus regular teacher of education department is posted on deputation to  
these institutions to work as In-Charge Head Master to look after the academic issues  
only.

The Education Department have surplus teachers in some of the mandals in  
your districts, hence it is requested to Depute one surplus regular teacher of  
Education Department as Incharge Headmaster to the TW Hostel Converted to  
Ashram School.

As per this Office request the District collector Suryapet was issued orders for  
placement of surplus Teachers from Education Department to the (2) Converted  
Ashram Schools at Chivvemla and Kodad @ two teacher for each Institution and these  
Hostels converted to Ashram Schools are showing good progress academically.

In this regard, the concerned District Collectors are requested to Depute one  
regular Education Department surplus Teacher as I/C Headmaster to our Hostel  
converted Ashram Schools. I am enclosing herewith the District wise TW Hostels  
converted to Ashram Schools.

Encl: List of Converted TW Ashram Schools.
