It is noticed that there is considerable delay in supply of Food provisions and Cosmetics for the Plain Area Districts by GCC. Most of the Plain area DTDOs are frequently complaining that the food provisions and Cosmetics are not being supplied in time by GCC in plain area Districts. It has been reported by GCC that the supply of Food provisions and Cosmetics to the plain area districts is being tagged to ITDA Eturunagaram & Utnoor. Eturunagaram & Utnoor divisions are not able to supply the food provisions in time and is also not able to monitor the supplies to plain area institutions.

Hence, the Commissioner Tribal Welfare and Managing Director GCC has decided to constitute a separate purchase committee for Plain Area ITDA for supply of food provisions and Cosmetics to the plain area TW Institutions with the composition on par with other ITDAs.
